**Day:03 Skip the Ticket Desk Line: Eiffel Tower and Seine River Cruise**

**Description**

See the City of Light in all its glory from atop the Eiffel Tower on a spectacular night time tour with a difference.

**Highlights**

- Climb to the highest point of the Eiffel Tower
- See the icon from different perspectives
- Be dazzled by beauty of the City of Light at night

Even if you have already seen the iconic tower by day; by night you will be amazed by its brilliance as the famous lights are turned on to showcase it in all its beauty.

Skip the famously long queues and be whisked straight up to the second floor of the tallest structure in Paris with your expert local guide, who will help you pick out famous illuminated landmarks across the city and regale you with stories about the tower's past and present. Take advantage of the bird's eye views from the 2nd floor, and admire the city skyline as you never imagined, and capture the moment forever as you take a photograph with panoramic views of the city lit up in the background.

Take in the view of the Eiffel Tower from the ground as we also walk through the Trocadero Plaza. From here you can see the illuminations and marvel at the Tower it gloriously lights up the city as you never thought possible.
